Dennis Lake Wing Club was established in 2006 as a family owned business. It is a members-only club that specializes in guided quail hunts, skeet and five stand shooting.

Pensacola State College Foundation is hosting its annual guided quail hunting weekend. Individual hunters may participate for \$500 each and corporate hunting experiences may be arranged to include lodging and meals. All hunts will include guides, dogs, snacks and non-alcoholic beverages while in the field.

For hunters' convenience, birds are cleaned and dressed by the staff at Dennis Lake.
