

MASTERING THE ART OF RESILIENCE

INSPIRING HOPE AND BUILDING CHANGE

Welcoming a New President

TREY POIRIER

President, Foundation Board of Governors

“When I first moved to Pensacola I wanted to be involved with an organization that brings about fundamental positive change to peoples' lives and the community as a whole. I think we can all agree that the Foundation's work with supporting Pensacola State College easily fulfills that need within our community. Our path ahead has never been brighter and that is only possible because of the donors, staff, partners and volunteers involved every day. I look forward to helping write the future with each and every one of you.”

MISSION

The mission of the Pensacola State College Foundation is to change lives by providing students access to an affordable, quality education and to support the growth and development of PSC, its faculty, staff, and campus facilities to enhance the College's impact in its surrounding communities.

VISION

The Pensacola State College Foundation transforms lives and builds futures through academic excellence created by honoring the intent of donors who invest in Pensacola State College.

Strategic Plan

The PSC Foundation Board of Governors are committed to ensuring the integrity of our promise to donors and the College. In an effort to focus on constant improvement, members of the Board's strategic planning task force dedicated six months to reviewing our history, trends, and potential path ahead. At a half-day session, the task force presented their findings and suggested focusing on the three pillars below.

In the months ahead, the Board implementation committee will detail the steps needed to execute the plan that will help us realize even greater success in the coming years.

Strategic Planning Task Force Chair: Trey Poirier
Members: Candi Carroll, Dick Dixon, Chandra Smiley

plan

Pillar 1 | Growth & Development of PSC

By 07.01.22, a comprehensive plan will be developed to support the College priorities by increasing public/private partnerships by 25% utilizing the appropriate timeframe established by the plan.

By 12.31.22, we will have a baseline of student and family giving and will increase giving 50% by the end of 2024.

Pillar 2 | Changing Lives Through Affordable/Quality Education

By 12.31.22, PSCF will be able to offer (every student that applies) help that enables them to graduate without debt by providing resources to increase debt free graduating status to 97%.

By 12.31.22, the PSC Foundation will encourage a 5% increase in traffic to the scholarship application site.

By 12.31.22, PSCF board members will have identified, engaged, and solicited enough donor prospects to increase the three-year trend of new scholarships being established by 5%.

By 12.31.23, the PSC Foundation will have recruited funding for one additional endowed teaching chair.

Pillar 3 | Community Enhancement/Post Graduate Workforce

By 08.31.22, PSCF will create a funding stream the Marketing & Communications Coordinator can use to create an environment that compels individuals, corporations, and foundations in the community to donate and get involved in the Foundation's work to support the College.

By 08.31.23, PSCF will create an endowment to promote available workforce resources to the community (such as JobX, internships, and the availability of co-ops and student experiences). The Foundation will grow donations to the endowment to \$100,000 by the end of 2024.

Foundation Staff

As we celebrate a year of connecting donors and partners to Pensacola State College, I am reminded of a quote from songwriter Jana Stanfield.

“I cannot do all the good that the world needs. But the world needs all the good that I can do.”

At the Pensacola State College Foundation, we are privileged to work with donors and partners who are committed to doing good for others. The success outlined in this impact report strengthens the impact Pensacola State College has on our local citizens and the communities we serve. On behalf of the PSC students, faculty and staff supported with your generosity, THANK YOU!”

Employee Giving

In 2021, **18 PSC employees** volunteered more than **142 hours**, which is an equivalent to **\$4,052.68** in donated labor, as valued by the independent sector. Thank you to our amazing faculty and staff. We could not do this without you!

"If it had not been for the love and generosity of people who believed in me, my life could have taken another course. Instead, my life was enriched by the scholarships and grants I received along the way. That is why supporting PSC Foundation scholarships is so important. This reaches far beyond the scope of a classroom setting."

**-Dr. Rameca Vincent Leary,
Coordinator of Diversity Initiatives and Business Instructor**

In 2021, Employees donated **\$70,719.98**
to support PSC students, equaling a **25%** **INCREASE**
since 2020!

"I choose to volunteer for the PSC Foundation to serve others at fun events and to get to know my colleagues from other departments. I love all the activities that happen at the College for employees and students. We have great benefits and I enjoy my department. We are a team."

Scholarships

Scholarships can be the difference between someone continuing their dreams and putting their education on hold. We are thankful for donors who support scholarships because they wish to invest in someone's future.

"When I was little, I was in and out of the hospital. I formed a relationship with my pediatric doctor and every time I saw him, I knew he had my and my family's best interest at heart. This made me want to have a job where I could make others feel safe and heard. This experience, along with my genuine love of the sciences, led me to pursue a career in nursing."

**-Ashlyn F.,
First Generation Scholarship Recipient**

1.6M in scholarship contributions from donors

"Thank you for awarding me with a scholarship that will allow me to further my studies in Business and Management with an emphasis in Human Resources. I am a mother of two children, and I have been working for over 35 years. Your contribution is helping my dream become a reality and I am profoundly grateful."

**-Cheryl M.,
Rose & Willie C Jutson Scholarship Recipient**

Change Makers

They are called “*Change Makers*” for a reason – they change lives. Pensacola State College honored its *Change Makers* – donors whose generous gifts and contributions help students earn an education – at a reception in December at the Charles W. Lamar Studio Gallery. We were honored to accept:

\$2.8 million in new gifts & commitments to PSC !

The *Change Makers* program was created in 2020 by longtime PSC supporters Jo-Ann and Michael Price. As the founders of the program, they contributed \$100,000 for student scholarships and challenged others in the community to do the same.

New Scholarships

Donors stepped up for our students by establishing **twenty-two** new scholarships at the PSC Foundation! Of the new scholarships, **sixteen** are endowed and will benefit students in **perpetuity**.

Endowed Teaching Chairs

DID YOU KNOW?

PSC has **13** endowed teaching chairs to support faculty!

Endowed chairs are special and prestigious academic appointments that are crucial to the recruitment of world-class faculty members.

As a PSC alumna and Foundation Board Member, **Lisa McKenzie Dampier** is passionate about supporting the faculty who help students pursue their dreams. Lisa established the **Dan and Mary McKenzie Endowed Teaching Chair** in her parents' memory. The endowment honors three generations of teachers in her family, and her father who established the oldest family-owned GM dealership in the area 55 years ago.

Retired PSC astronomy professor, **Dr. John Wayne Wooten** and his late wife, Merry Edenton-Wooten, had a mutual love of astronomy and astrophotography. After losing Merry in March of 2021, Dr. Wooten chose to honor her by committing to the establishment of the **Merry Edenton-Wooten Endowed Chair for Space Sciences**. When fully funded, this teaching chair will benefit full-time female faculty members working in the space sciences.

Nonprofit Center for Excellence and Philanthropy

The *Nonprofit Center for Excellence and Philanthropy* helps to support training and education for nonprofit professionals and volunteers. In 2021, the PSCF hosted:

14 Workshops, 234 Attendees, & 40 Nonprofits

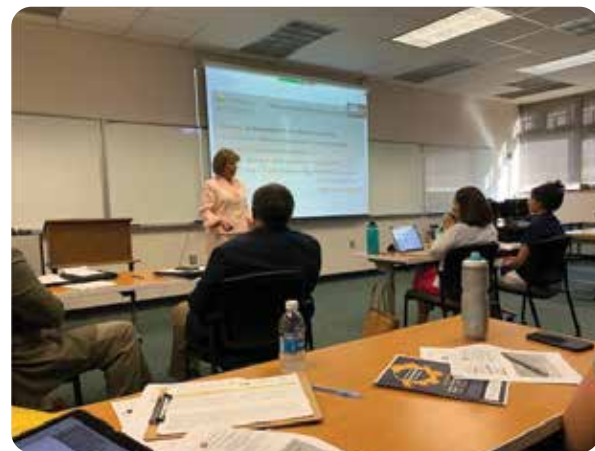

"The Nonprofit Center at PSC is such a valuable resource for tools and training needed to excel and succeed in your nonprofit career. Whether you are new to the nonprofit world or a seasoned professional, you can find value in the benefits offered by the NPC."

-Maegan Leonard
Development Specialist, Baptist Health Care Foundation

In 2021, our speakers covered topics including:

- communications stewardship & recognition
- workforce development
- gift fundraising
- the role of a board member
- building a gift plan for nonprofits.

Inspiring Building

1 African American Memorial Endowed Scholarship & Dr. Garrett T. Wiggins “Live Your Dream” Scholarship Awards

Eleven PSC students were awarded one of the two scholarships. The annual AAMES Wiggins scholarship awards celebrate diversity, honor the contributions of deceased African American employees of the College as well as Dr. Garrett Wiggins, and encourage the leaders of tomorrow as they pursue an education at PSC. Together, these two scholarships have supported nearly 200 PSC students since establishment.

2 Student Constructors Endowed Scholarship Gift Announcement

Amir Fooladi established the new Student Constructors Endowed Scholarship to help strengthen the College’s workforce commitment and supply Northwest Florida with more qualified workers in the construction and contracting trades. Fooladi said, “I want to help aspiring young students find their paths the way I found mine.”

3 Pensacola Women’s Alliance Scholarship Luncheon

The Pensacola Women’s Alliance (PWA) celebrated its 2021 scholarship recipients with a luncheon at the Pensacola Yacht Club. Each year, PWA presents two \$500 awards to female students pursuing degrees in science, technology, engineering, mathematics, or business. Pensacola Women’s Alliance has supported future female leaders of Pensacola with more than \$18,500 in scholarship awards since 1991.

Pictured left to right: Jan Miller, Pensacola Women’s Alliance President; Kenzie Johnson, scholarship recipient.

4 Cantonment Rotary Club Luncheon

The Cantonment Rotary Club presented 18 PSC students with scholarship awards ranging from \$500 to \$1,500. The Cantonment Rotary Club funds six endowed scholarships at the PSC with endowments totaling more than \$164,000; these funds will continue to support students into perpetuity.

5 Escambia High School Alumni Scholarship In Memory of Deborah Poe Milam Gift Announcement

The Escambia High School Alumni Scholarship in Memory of Deborah Poe Milam was established on December 7 with a \$5,000 gift from the EHS Class of 1970 and a \$1,000 gift from Willie Ray Milam Jr. in loving honor of his wife. Fellow EHS alumnus, LTC Howard Rogers USAR (Ret) said “many of [their] classmates attended PJC, now PSC, so this is the perfect opportunity to give current EHS students a path to success in Debi’s name.”

Pictured left to right: LTC Howard Rogers USAR (Ret); Dr. Betsy Botts; Willie Ray Milam Jr.; Hugh Fones.

6 Sansing Scholars Scholarship Luncheon

PJC graduate and business icon, Sandy Sansing, has helped more than 1,100 Pensacola State College students with nearly \$500,000 in financial assistance since he established the Sansing Scholars Scholarship in 2002. We celebrated his generosity at a luncheon where Sansing inspired some of his scholarship recipients with his life story and anecdotes of determination that helped forge his strong work ethic.

2021 Events

Big Break Golf Tournament

Presented by D.R. Horton

Chaired by Sharon Hess Herrick

115 golfers participated in 18 holes of scramble golf raising over **\$27,900** in support of PSC's Fund for Excellence. This fund is used to support the College's greatest needs, our students, and programs. Along with our Presenting Sponsor D.R. Horton, we are grateful to McKenzie Motors and Raymond James at Gulf Winds for making this a successful event. The day featured on course competitions, tasting stations, raffles and a spirit pull.

Day of Clays

Presented by TRANE

Chaired by Ron Jackson

The 10th Annual Day of Clays Event presented by TRANE was the most successful clay shoot yet.

Over **\$110,000** was raised with all proceeds directly aimed at supporting Pensacola State College students and programs.

We are grateful to the **148 shooters, guests, and volunteers** that enjoyed activities and awards provided by event and in-kind sponsors.

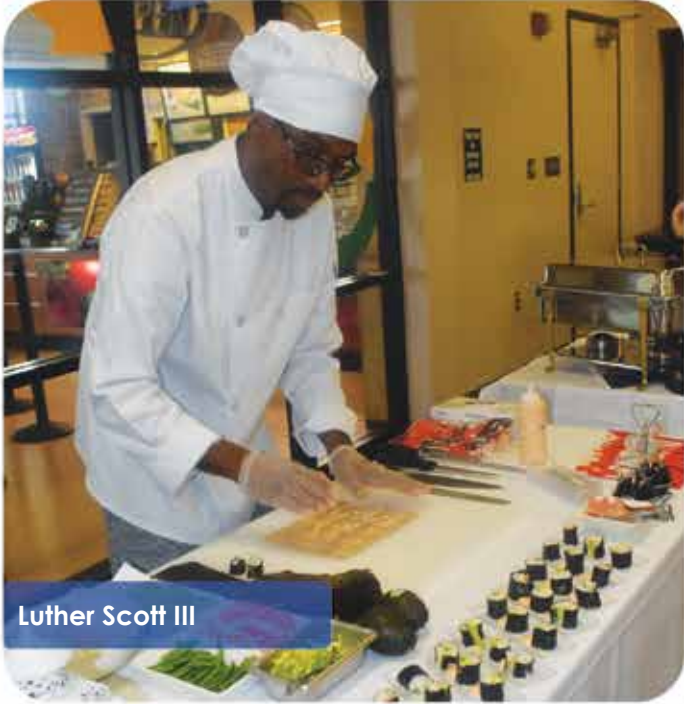

Signature and Event Sponsors: Bradley Masonry, SYNOVUS, The Rockhill Group, Hewes and Company, Chef's Catering, Lewis Bear Company, Morette Company, Arcadia, Buffalo Rock Pepsi, Lewis Bear Company, InterBay Building Services, Brokers Unlimited, ACS Coatings, and Schmidt Consulting Group.

Generous **in-kind event donors** included: Boyett's Portable Restrooms, Santa Rosa Shooting Center, ACE Unlocks, Lewis Bear Company, Monarch Aviation, Saltmarsh Cleveland and Gund, Bere's Jewelers, and Seville Power Equipment.

Garde Manger (gärd-mäⁿ-zhā)

The PSC Culinary Arts Department

Pensacola State College's annual Garde Manger brought more than **150 of the College's donors and supporters** to the Pensacola campus for an afternoon event featuring food and friendship. The event is a thank you to donors whose financial gifts help fund student scholarships, programs, facilities and more.

Students who participated in the Culinary program's Garde Manger prepared dishes ranging from tropical pork sliders and salmon-stuffed tomatoes to roasted pepper salad and strawberry basil soup.

**YOUR COMMUNITY
YOUR LEGACY**

In November of 2018, PSC launched the Your Community Your Legacy Campaign to raise \$11 million in **four key areas**. Despite Hurricane Sally, the destruction of the three-mile bridge and a worldwide pandemic, we exceeded the \$11 million goal.

Workforce

Supporting PSC's contribution to local Workforce development, gifts were made toward the construction of a new STEM building, the Nonprofit Center for Excellence, programing to improve education in the Health Sciences, the truck driver training and trade programs. Donors contributed **\$4.65M** toward the **\$4.05M** fundraising goal.

Scholarships

The COVID pandemic reinforced the need for financial support for students. We were thrilled that in addition to general Scholarships, donors designated to create vocational and technical scholarships, named endowments, first generation and matching fund endowments, and scholarships to support the health sciences and Veterans and their families. Volunteers raised **\$3.3M**, almost **\$200,000** over the campaign goal.

Training & Conference Center

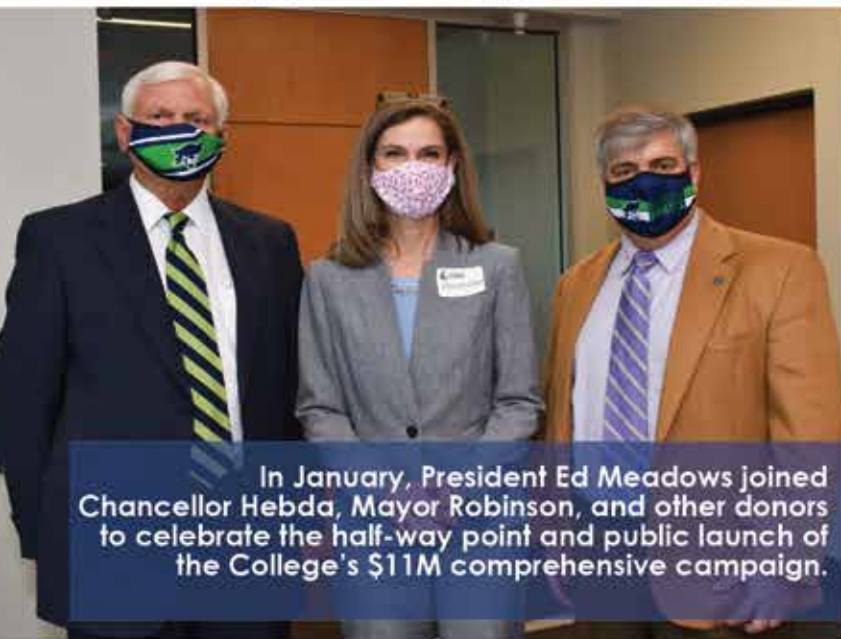

With the Hurricane and pandemic forcing the closure of New World Landing and other event spaces, a quality training space for students and community nonprofit conferences is desperately needed. Lead donors Jan and Ron Miller provided a jump start that allowed us to reach **\$1.9M** of the **\$2.8M** goal toward building a new PSC Training and Conference Center. We look forward to continuing this endeavor as the College's **#1 PRIORITY** for State funding in the coming year.

Fund for Excellence

The Fund for Excellence is an unrestricted fund that allows The Foundation flexibility to meet the College's greatest needs FIRST. A donor-supported advancement fund, PSC relies upon this resource to maximize opportunities to grow and expand. Volunteers raised **\$1.17M** that could be used to help ensure faculty and staff have professional development opportunities. The fund also supports satellite campuses and centers, provides GED, skilled trade and center programmatic growth, and to support athletic, performing arts, visual and culinary arts program enhancements.

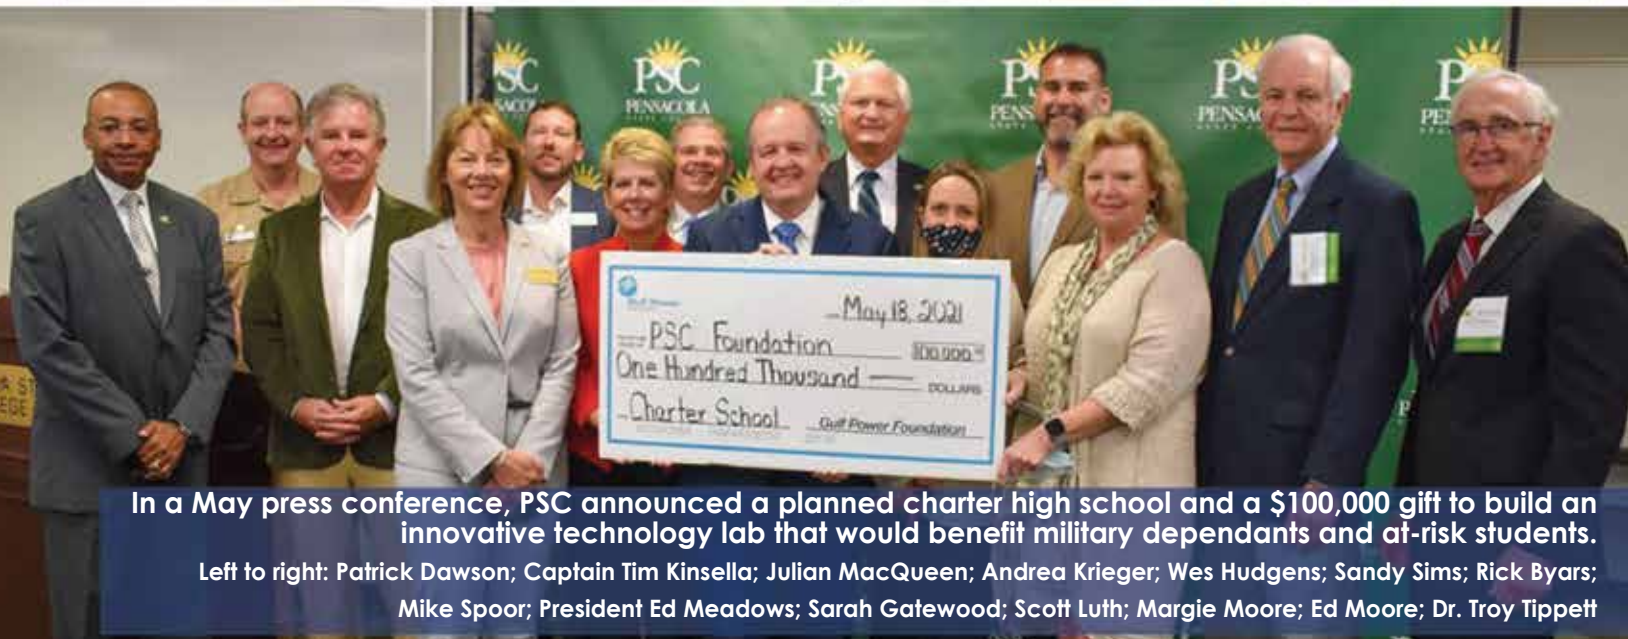

In October, donors gathered to announce a planned training and conference center.

In January, President Ed Meadows joined Chancellor Hebda, Mayor Robinson, and other donors to celebrate the half-way point and public launch of the College's \$11M comprehensive campaign.

Donors and friends joined Donald McMahon III, Board of Governors Emeritus, as PSC dedicated the newly constructed Center for Cybersecurity in his honor.
