Gratitude From Our Leaders

A Message from the President of the Board of Governors

On behalf of the entire Pensacola State College Foundation Board of Governors, please accept our sincere and heartfelt thanks. The achievements of the Foundation, made possible by the generosity of donors like you, are momentous and appropriate as we celebrate the College's 75th Anniversary. Providing more than \$770,000 in scholarships positively affected 960 students. Program services totaling \$2,500 and \$104,061 in facility maintenance and renovations was possible because of the benevolence of our donors. As we look forward to what PSC will achieve in the next 75 years, rest assured that the Foundation will continue to support the College each step of the way. We will continue to transform lives by providing affordable access to quality education, enhancing the College's impact on Pensacola and our surrounding communities. Thank you again for your unwavering support and affinity for Pensacola State College.

With sincere appreciation,
Mike Morette

Gratitude from the Executive Director

As we reflect on the extraordinary accomplishments of 2023, I am filled with deep gratitude for the incredible synergy of our Pensacola State College Foundation community. It is my honor, as the Executive Director of Institutional Development, to extend heartfelt appreciation to each member of our dedicated team, generous donors, leaders among our Board of Governors, and selfless volunteers who made this year truly exceptional.

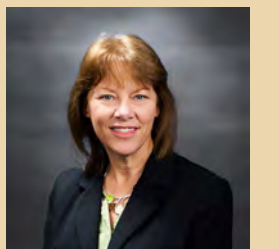

In 2023, our collective efforts yielded an astounding \$2.4 million in donations and \$788,585 in in-kind support from both the College and our local benefactors. Through collaborative endeavors, rental, interest, and other income, we surpassed \$3.4 million in total revenue. These funds played a pivotal role in granting scholarships, renovating facilities, supporting our esteemed faculty and staff, and providing accommodation for student athletes in Foundation-operated dorms.

Our success is a testament to the unwavering commitment of our donors, the selfless dedication of our volunteers, and the tireless work of our Foundation team members. Your collective impact has transformed lives, empowered education, and elevated the Pensacola State College experience.

In the pages of this Annual Report, we celebrate not just the financial milestones, but the stories of transformation and achievement made possible by your generosity. Together, we are shaping a brighter future for our students and our community.

Thank you for being the driving force behind the success of 2023. Your support is the bedrock upon which we build dreams and pave the way for countless opportunities. Here's to a future filled with continued collaboration, shared success, and the enduring spirit of giving.

With immense gratitude,
Andrea Krieger

GRATITUDE

GROWING IN GRATITUDE

When we reflect on the past year, we are filled with immense gratitude for the unwavering support and generosity that guide Pensacola State College Foundation. Our annual report, "Growing in Gratitude," serves as a testament to the profound impact of your dedication to our mission of empowering students and enriching our community through education.

Throughout the pages of this report, you will find stories of resilience, achievement, and transformation made possible by your contributions. From scholarships that open doors to opportunities, to innovative programs that foster growth and excellence, each milestone represents a shared journey of hope and possibility. Your belief in the power of education has not only changed lives but has also ignited a ripple effect of positive change in our community.

As we continue to grow and evolve, we extend our deepest thanks to each and every one of you who gives meaningful purpose to our work. Your support fuels our commitment to nurturing future generations of leaders, thinkers, and innovators. Together, we are building a brighter future for our students and our community.

Keeping Up with Alumni

In Pensacola State College's 75 years, **123,583** unique students have graduated and/or completed a program at PSC. Foundation donors have often supported their education and college experience.

In 2023, **161** donors who are alumni and members of the PSC Alumni Association donated **\$87,593.60** in cash gifts, **\$1,640.40** in stocks, and over **\$6,700** gifts in kind.

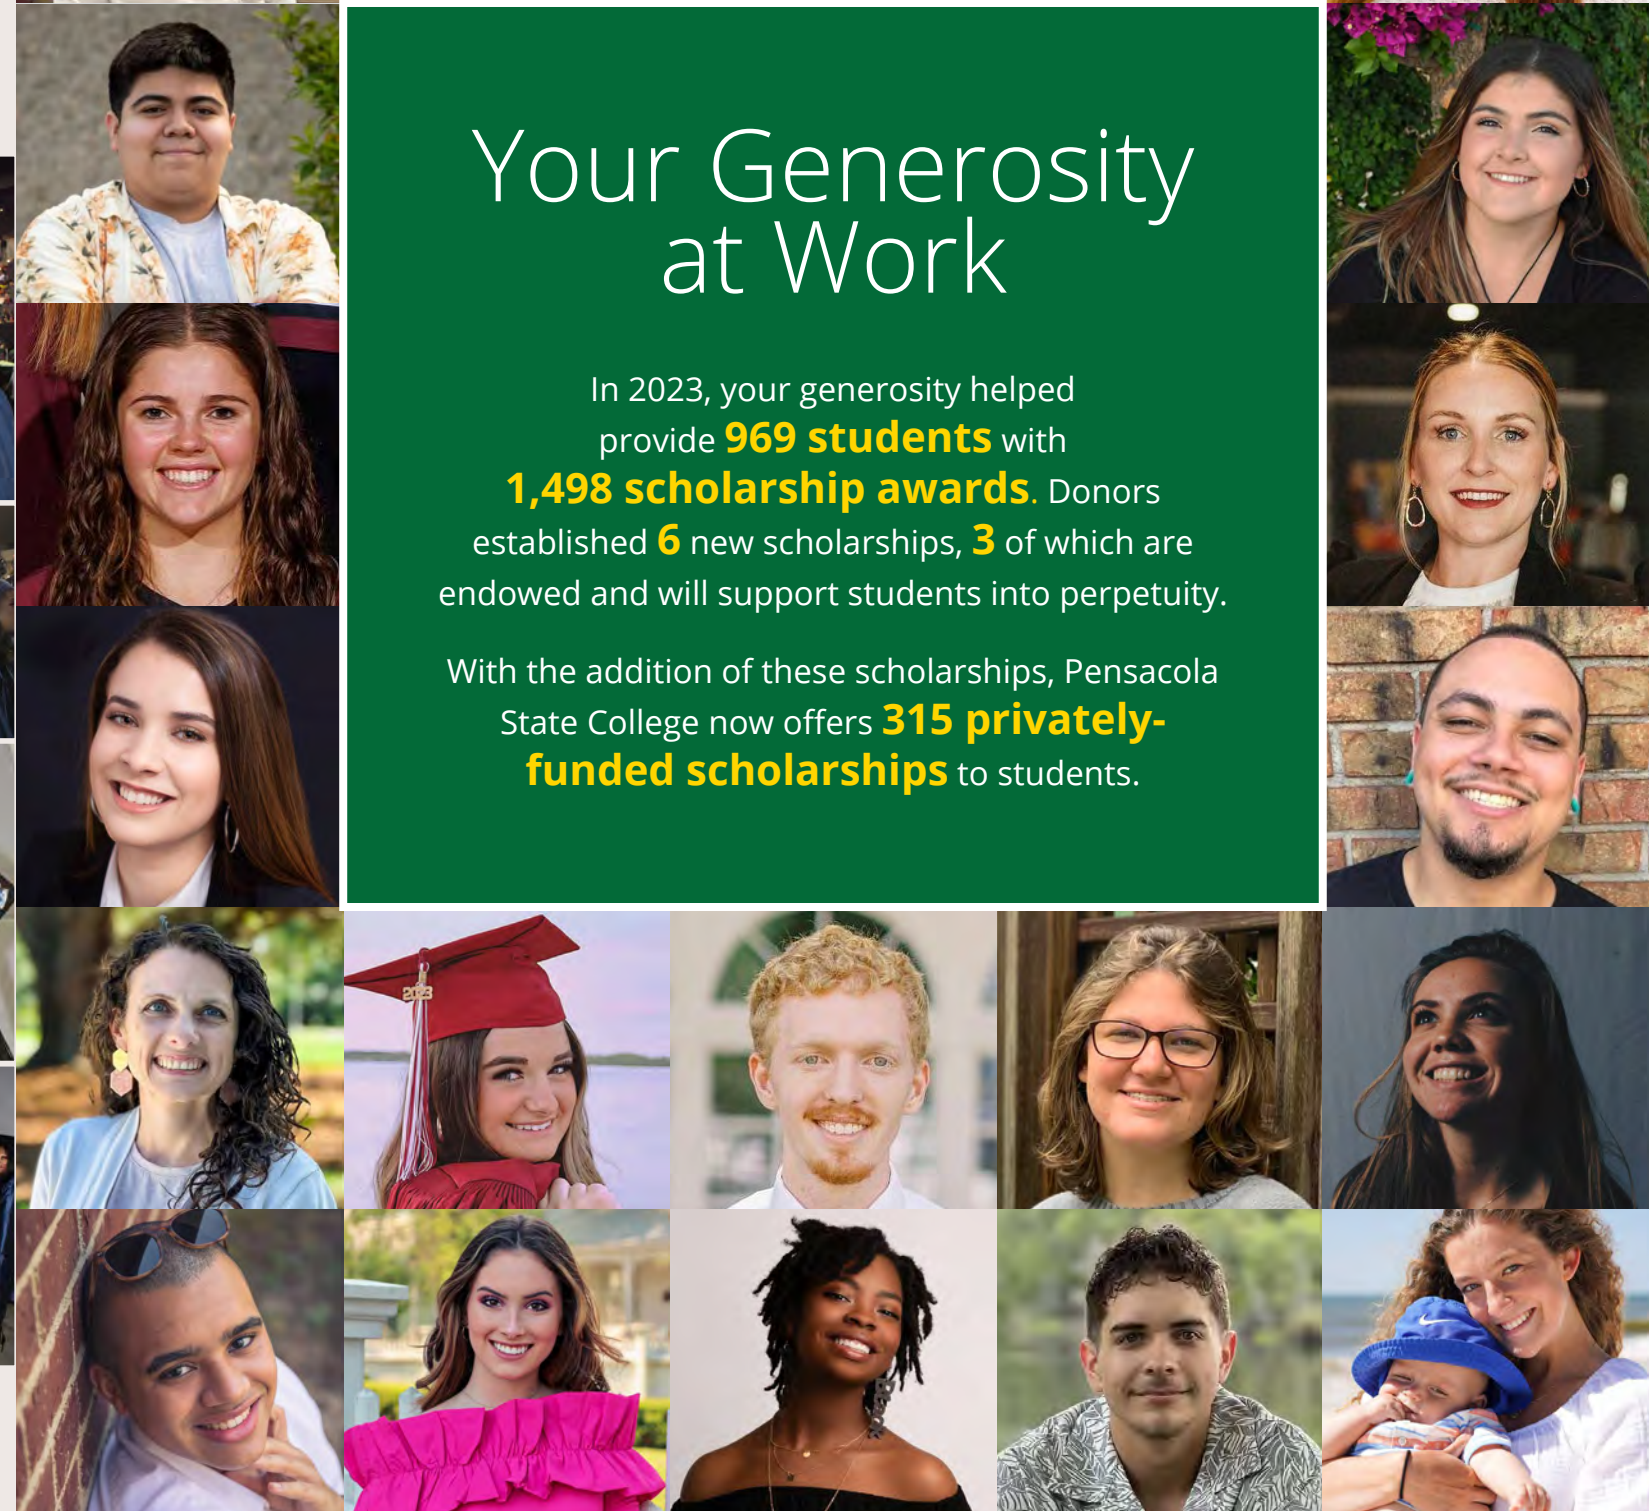

Your Generosity at Work

In 2023, your generosity helped provide **969 students** with **1,498 scholarship awards**. Donors established **6** new scholarships, **3** of which are endowed and will support students into perpetuity.

With the addition of these scholarships, Pensacola State College now offers **315 privately-funded scholarships** to students.

"I will forever be grateful for Pensacola State College."

New Scholarships

AFCEA Science, Technology, Engineering, & Mathematics Endowed Scholarship

Founded in 1946, the Armed Forces Communications and Electronics Association (AFCEA) is an international nonprofit organization that serves its members by providing a forum for the ethical exchange of information. The Blue Angels Pensacola Florida Chapter of AFCEA scholarship program supports educational and merit endeavors from elementary through high school, community colleges, and universities. The mission is to support the development of engineers and technical personnel through selective motivational awards, prizes, scholarships, and grants for educational activities of unique, high-value, and professional educational programs. The Blue Angels Pensacola Chapter established an endowed scholarship through the PSC Alumni Matching Program. This scholarship will aid students enrolled in science, technology, engineering, or mathematics programs of study, contributing to the advancement of future professionals in these fields.

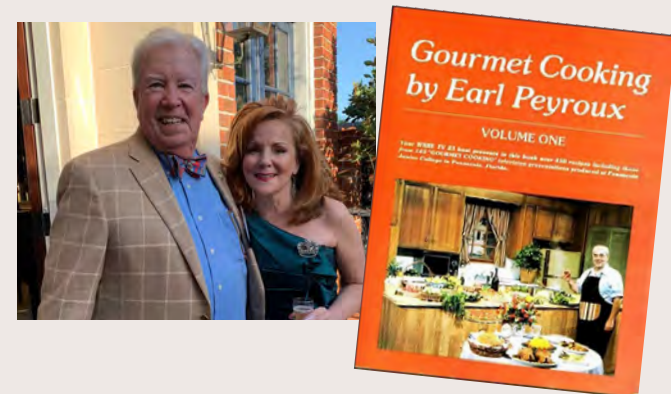

Earl Peyroux Memorial Endowed Scholarship

Late Chef Earl Peyroux, graduate of Le Cordon Bleu in Paris and understudy to chefs such as Julia Child and Paul Prudhomme, became a household name and a local celebrity chef in Pensacola. As a culinary instructor at PJC in the 70s, Peyroux was scouted for a 13-episode cooking show with WSRE. Due to its popularity, "Gourmet Cooking with Earl Peyroux," aired 600 episodes over 18 years, getting picked up by the Public Broadcasting System in 1982 and reaching a national audience in the early 1990s.

Peyroux is fondly remembered as a Southern gentleman whose love for cooking was rivaled only by his love for sharing cooking tips with others. This scholarship was established by many of Peyroux's loved ones, with Drs. Tip and Ellen McKnight and Hal George spearheading the efforts.

Helen Ihns Culinary Scholarship

Helen Long Ihns and late husband, Juergen Richard "Dick" Ihns, have been dedicated supporters of PSC since 1996. They met at Purdue University in the 50s before settling in Pensacola in 1965. Active members of the community, Dick and Helen served on various boards, volunteered, donated generously, and engaged in krewes. They held a special appreciation for culinary, visual, and performing arts. Their enduring bond lasted 54 years until Dick's passing in 2010, after which Helen generously chose to establish a scholarship in support of culinary arts students. "PSC plays an important role in the community, because it provides avenues for all types of students, with widely varying interests and life goals," says Helen, reflecting on the significance of vocational education.

Jerry Wade Mathes Electrician Apprentice Scholarship

Jerry Wade Mathes was a lifelong resident of Pensacola and a member of Escambia Lodge #15, Scottish Rite, and the Hadji Shrine. In 1973, he founded Mathes Electric, a Panhandle-based independent electrical distributor and lighting showroom. This was the beginning of the many businesses he established before his passing in 2009.

In recognition of Jerry's dedication to the profession, his daughter, Kimberly Mathes Cheney, and granddaughter, Lauren Paige Cheney, now co-owners of The Mathes Group, have chosen to establish a scholarship in his honor. This scholarship will support aspiring electricians pursuing education at PSC. Kim and Lauren's decision to select Pensacola State College for the scholarship is rooted in their firsthand experience of the Institution's nurturing environment, characterized by close relationships between students, faculty, and staff.

Melba Bayers Meyer Charitable Trust Scholarship

Melba Bayers Meyer was born on June 17, 1910 in Albert Lea, Minnesota. She lived in communities located in the northwest and northeast U.S. before marrying businessman F.E. Meyer. Together, they operated Meyer Shoe Company, located in downtown Pensacola. In their free time, the pair enjoyed giving generously to civic movements and community development. Upon her death in 1995, the Melba Bayers Meyer Charitable Trust was established. The Trust supports charitable causes primarily focusing on the needs of children, indigent Native Americans, and neglected animals in Pensacola, Florida, and Alabama. In 2023, the Trust established a scholarship for Native American students at PSC who maintain a grade point average of 2.0 or higher.

Morette Company Endowed Scholarship

Rick Morette dedicated his professional life to the development and growth of Morette Company. After his passing, his wife and children, Sharon Morette, Mike Morette, and Nikki Morette Bell, assumed leadership roles within the company.

The Morette family and Morette Company are deeply involved in philanthropy and community service. Mike currently serves as the President of the PSC Foundation Board and Nikki generously lends her time and expertise to the PSC Holiday Experience event committee. Additionally, the family has established an endowed scholarship in honor of Sharon. The Sky Terrace of the newly constructed BEAR JONES MOORE REEVES Center for Math and Advanced Technology was named in honor of the Morettes. This newly established endowment honors the morals and perseverance of Rick that were instilled into Morette Company, encouraging others to "give more and be more."

“Time is the most valuable thing a man can spend.”
 – Theophrastus

Volunteers

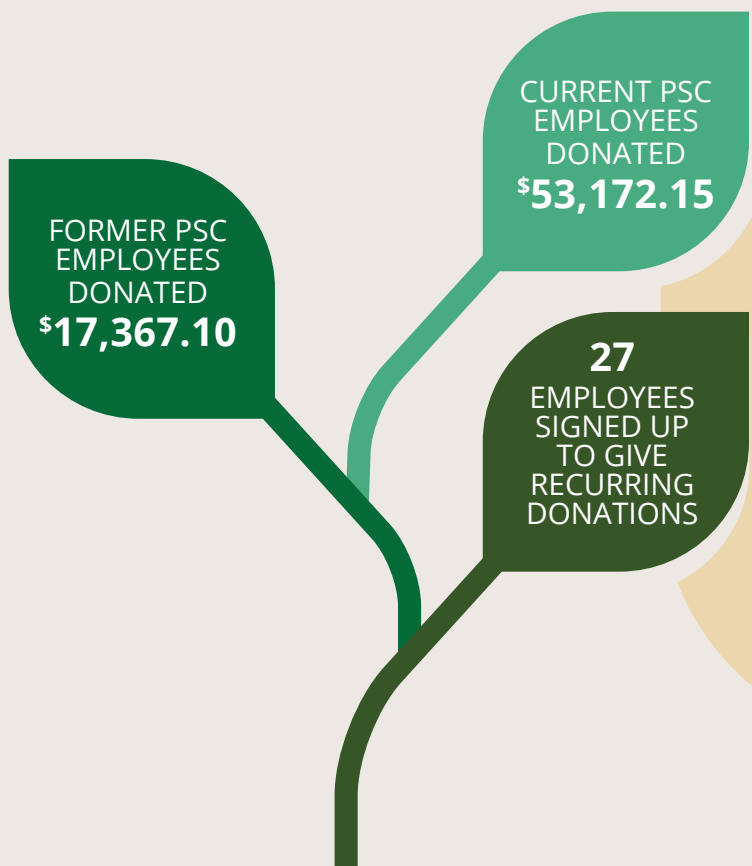

In addition to our esteemed Board of Governors, **76** dedicated volunteers generously contributed **730** hours of their valuable time and energy in support of PSC and its students! This remarkable effort equates to **\$23,214** in labor value, as assessed by the Independent Sector. These committed employees and community leaders played pivotal roles in fundraising, event coordination, community education, college advocacy, and beyond. We extend our **heartfelt gratitude** to our exceptional volunteers for their invaluable contributions!

Employee Giving

The 1st Annual Sip, Savor & Support Employee Giving Event

Employees were generous in 2023, and we were thrilled when a celebration in their honor resulted in \$5,900 in new donations to support PSC affinity groups, programs, scholarships, and the Fund for Excellence! Attendees celebrated with coworkers, enjoyed music from the PSC Jazz Ensemble, and they experienced cuisine created by culinary arts students. Along with great door prizes, there was representation from PSC affinity groups and the PSC chapter of the Association of Florida Colleges. The Foundation was grateful for the opportunity to share how donations support students, and how employees can benefit from membership.

“Each person possesses immense potential, but sometimes we need help. Donating is another way that I can help support the students and our PSC community achieve great things. I help others, and that investment compounds as each person improves in their own way. If a person then becomes able to and chooses to help someone else later in their journey, then greater accomplishments manifest over time in our local and global communities.”

17TH ANNUAL Big Break Golf Classic

The Big Break Golf Classic, presented by D.R. Horton, took place on May 4th at Stonebrook Golf Club and proved to be an overwhelming success, with every available spot snapped up well in advance. Through a combination of team sponsorships, ticket sales, raffles, and mulligans, an impressive sum of over **\$48,000** was raised in support of the Pensacola State College Fund for Excellence. This vital fund plays a pivotal role in bolstering various aspects of the College, including scholarships, programs, and overall development. To date, the collective efforts of supporters exceeds **\$350,000** since the tournament's inception in 2006.

Against the backdrop of the picturesque course, golfers reveled in a glorious day while embracing the Star Wars theme of "May the Fourth Be With You." Heartfelt gratitude is extended to every participant, sponsor, volunteer, and staff member whose involvement contributed to the event's resounding success. Their shared camaraderie and dedication made the day truly memorable.

THE 15TH ANNUAL Day of Clays

The 15th Annual Day of Clays, proudly presented by TRANE and held on October 14 at the Santa Rosa Shooting Center, surpassed all expectations to become the most triumphant shoot in its history! The Pensacola State College Foundation is thrilled to announce that a staggering **\$170,000** was raised through the contributions of 204 donors and sponsors for PSC's Fund for Excellence.

We thank the generous sponsors, participants, and volunteers whose unwavering support ensured the success of this event. Now, more than ever, their dedication to Pensacola State College is making a profound difference. Day of Clays delivers not only an unforgettable experience, but tangible impacts such as strengthened ties within the community and funding for initiatives like scholarships, academic programs, facility upgrades, and other efforts that contribute to the long-term financial health and stability of the College.

Garde Manger

PSC Culinary student Zackary Jensen preps hors d'oeuvres.

Pensacola State College's yearly Garde Manger Celebration in July welcomed 150 PSC donors and supporters to celebrate an evening filled with food and camaraderie.

Hosted by PSC President Ed Meadows and the Pensacola State College Foundation, the event serves as a heartfelt appreciation to donors who generously contribute \$1,000 or more, annually.

Under the guidance of the program faculty, students attending culinary arts courses meticulously prepare more than 800 delectable tasting dishes, showcasing their culinary talents and dedication to excellence.

Earl Peyroux Scholarship Reception

On February 5, Drs. Tip and Ellen McKnight graciously welcomed guests into their magnificent home to host the third Earl Peyroux Culinary Scholarship fundraiser and cocktail reception. The highlight of the evening was a captivating culinary demonstration by Chef Daniel Watts and Sous Chef David Penniman of Classic City Catering, paying homage to the esteemed Chef Earl Peyroux.

In 2020, Foundation Governor, Hal George, and Dr. Ellen McKnight introduced the concept of an endowed scholarship to honor Chef Peyroux. For the past three years, this special scholarship fundraiser and cocktail reception has helped garner funds towards the establishment of this memorial endowment.

HOLIDAY EXPERIENCE

Recognizing Scholarship Change Makers and Distinguished Donors

To kick off the 2023 holiday season, Pensacola State College hosted sponsors, honored scholarship Change Makers, and celebrated distinguished donors in the BEAR JONES MOORE REEVES Center for Math and Advanced Technology. Cocktails and conversations were enjoyed on the Morette Sky Terrace.

Jo-Ann and Michael Price, founders of the Change Maker Program, spearheaded the evening's festivities. Their dedication to education is exemplified by the establishment of the I Can Do It! Endowed Scholarship, and their matching gift which launched the Change Maker Program. Change Maker scholarships will positively impact students at PSC into perpetuity. Annually, Change Makers continue to grow their endowed scholarships with \$10,000 gifts.

Guests enjoyed tours of the venue, explored the scenic Morette Sky Terrace, and were entertained by live music from former PSC students. A lively auction featured unique items such as a Pensacola Pelican and a week-long Maine vacation. Proceeds from the auction helped support the College and address PSC's greatest needs.

Anna Society

The Anna Lamar Switzer Center for Visual Arts at Pensacola State College is a teaching institution that strives to exhibit, collect, interpret, lend, and preserve the visual arts. The Center is named in honor of Anna Lamar Switzer, the matriarch of the Switzer and Reilly families whose transformational dollars were used to renovate and expand the Center in 2002 and to create the Charles W. Lamar Switzer Studio in 2014. Located on the College's Pensacola campus, the Center has served students and the community with quality arts education, exhibits, and programs for over thirty years. Support through the Visual Arts Affinity Group, the Anna Society, supplements the addition of new equipment, creative materials, and enhanced spaces for students to perfect their crafts.

In 2023, Visual Arts Awarded

\$4,850 in awards and prizes to 24 students during the Annual Student Art Awards Exhibition

\$11,700 to 4 incoming freshmen at the Annual Student Art Awards Exhibition

\$24,605 to students through a multitude of scholarships
